KOALA BOOKS

In the house where Alex and Isabella lived was a toilet, just like yours. Or was it? Alex says the stinky poo grubs are out to get Isabella. What can she do? **ATTACK!**

'Do you know why Anna spends such a long time in there? She says she's brushing her hair, but really she's fighting them off!'

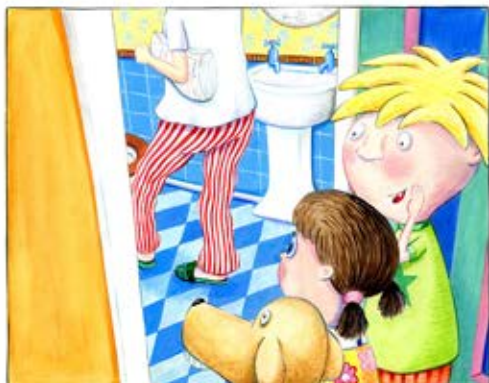

LIKE A SUPERHERO!

'Do you know why Grandma always makes me wash my hands after I've been in there? 'Cause the stinky-poo grubs don't like soap.'

'Do you know why Dad reads the newspaper
... in there
... all the time?'

Alex didn't wait for Isabella's reply.
'Because the stinky poo grubs
forget about eating girls when their
brains are full of the sports results!'

'Do you know why Grandpa
is always in there,
trimming those hairs
that keep creeping out
of his nose and ears?'

'Because he's feeding them
his hair!'

They won't bite you if
they've got full bellies.'
